

Anyplace, Anytime, Information as Close as Your Phone

- Stock Prices
- IVR Lucky Draw Services
- Live Football Matches Scores Information
- Live Baseball Matches Scores Information
- Live Radio Broadcast

Whether it's stocks or sports, hot topics with live updated information can bring traffic to your system and help to enhance your brand in the marketplace. Revenue may be generated by access or interconnect fees received for per minute traffic or by advertising revenue for pre-recorded announcements that play before the requested information. IVR Information services are a quick and simple way to reach out and connect with your marketplace.
